EMPLOYMENT OPPORTUNITY

Professional Civil Engineer / Development Engineer

Anderson Bogert is seeking a full-time Project Engineer/Professional Civil Engineer focused on private development to join our team.

About Us:

Anderson Bogert is a civil engineering firm with an emphasis in transportation, municipal, sanitary, storm sewer, and residential and commercial site development design. Our firm is committed to providing professional and relationship-based engineering services. Anderson Bogert provides technical experience in specialized civil engineering and planning services, with a focus on a high level of personalized service for our clients. Our working environment features a close-knit team with work-life balance being one of our culture's top priorities.

Minimum Qualification Requirements:

- 5+ years of civil engineering experience
- Civil Engineering License in the State of Iowa (or the ability to become licensed in Iowa within six months)
- Proficiency in AutoCAD/Civil 3D, drainage software packages, as well as other computer skills.
- Experience with preparing plans and construction documents for commercial, industrial, and residential development preferred.
- Highly motivated self-starter with excellent organization and written communication skills
- Able to work and contribute within a team atmosphere.
- Ability to interact with clients, vendors, and contractors, as well as coworkers in both peer and consultant roles.
- Opportunity to manage and market to multiple clients.

Benefits:

Anderson Bogert offers standard 40-hour weeks with no mandatory overtime; company-sponsored employee events; extensive, on-the-job training; educational opportunities; paid time off; paid holidays; eight hours paid volunteer time annually; health, vision, dental, and life insurance; a retirement plan; and an open-door policy to encourage employee feedback.

An Equal Opportunity Employer.

Salary commensurate with experience.
